

I'm not afraid
To look you in the eye
To tell you how I'm feeling
Every time you pass me by

You have captured all of me
And through your eyes
I can see
The vision of everything
You want me to be.

Take me home
to your place
Take me home
with a smile on your face
Take me home
Where it is you lay
Take me home
there is no other way oh oh oh yeah

There is only one thing
That I want to hear
Our melody and harmony
It's Something I hold dear

Take me home
to your place
Take me home
where it is you lay
Take me home
with a smile on your face
Take me home
there is no other way oh oh oh yeah

The last thing
I want to say
There is no other way
There is no other way
There is no other way
There is no other way
