

I'm a horrible person
That's what she said,
Just a version
Of what's in her head

Consider the source
So innocent and pure,
It's what you'd expect, of course
From the queen of demure...

I'm no Valentino
I don't do fashion,
Or Marlin Brando
Lights, camera, action

Maybe Clark Gable
Or Mr. Bogart,
Or an ancient fable
Ready for a new start

I have desires
Both old and new,
Spit shined tires
I know what to do

Forgive, forget, Life is full of misfortune.
